Know more: <https://cerebro.iiitv.ac.in>

Indian Institute of Information Technology Vadodara

c/o Block No.9, Government Engineering College,
Sector-28, Gandhinagar, Gujarat

ABOUT US

Indian Institute of Information Technology Vadodara (IIIT-V) is established by the Ministry of Human Resource Development (MHRD), Government Of India under Public Private Partnership (PPP) as Institute of National Importance with a view to develop new knowledge in information technology and to provide manpower of global standards for the information technology industry. The Institute was established in the year 2013. At present, IIIT-V is operating from its temporary premises at Government Engineering College (Gandhinagar) till the time its new campus is made operational at Vadodara, Gujarat.

CEREBRO is the Annual Technical Festival of Indian Institute of Information Technology Vadodara. It is organized by the Technical Society of IIIT Vadodara and serves as a platform for technophiles to showcase their creativity and intelligence. The festival aims to bring together great minds through various activities like Technical Workshops, events, talks and exhibitions. The event has a complete dose of core technical and fun events including literary as well as gaming events.

INAUGURATION

Day

The inaugural day begins with the lamp lighting of the Institute's honourable director. The first day is a day of wisdom with a 3-4 hour trail of guest talks, workshops and seminars. Invited experts grace the event with words on new and upcoming technologies, existing quintessentials and career guidance.

TECHNICAL EVENTS

Cook-a-Code

A team event for Competitive Coding where participants can put their problem solving strategies on work and bring out a quick and effective solution.

Tech-Hunt

A one of a kind fun technical event where every team needs to be at their technical best and bring in their Sherlock skills on points to crack the clues and reach to the “treasure” at the earliest.

Type-Racer

Hone your typing skills and race amongst the betters to be the best. Don’t give up because being swift is worth a lot in here. Get your fingers to work.

Big Tech Quiz

Real-time Quiz based on deep and conceptual knowledge of different technologies, languages and their documentation.

Penumbera

India is the land of Aryabhatta and this contest is designed to appoint a successor to him. If you think numbers are your best friends then put your best pen and paper forward for this event.

ROBOTIC EVENTS

ProjEx

This event is for participants to showcase their hardware and embedded skills through their projects. Participants can build their projects in hardware-related domains like Robotics, Drone or Quadcopter, Automation, AR, IoT(Internet of Things) or any other domain which can help to solve a real-life problem.

BotRun

The objective is that the robot should follow a track marked with a line with lots of hurdles. The whole robot must start behind the starting mark and is considered to have crossed the finishing line if any part of the robot crosses it when the robot has completed a full lap of the course .

GAMING EVENTS

Counter Strike: Global Offensive

Counter-Strike is an objective-based, multiplayer first-person shooter. Two opposing team: the Terrorists and the Counter Terrorists compete in game modes to complete objectives, such as securing a location to plant or defuse a bomb.

Mini Militia

Mobile-based individual action and strategy gaming event. Bring your guns and get them blazing throughout.

NFS: Most Wanted

A car racing video game in which 4 players will compete simultaneously, with the winner progressing to the next round. Only thing needed - Speed.

FIFA 15

FIFA 18 is a football simulation video game in which 2 players will play each other in a 15 minutes match.

PUBG Mobile

PlayerUnknown's Battlegrounds is an online multiplayer battle royale game, which can be played Solo, or in teams of 2 or 4.

LITERARY EVENTS

Hired!

Do you have what it takes to not be jobless? Here is the platform that helps you identify your skills as a possible candidate for a hiring.

Ideathon

It will be a team event, where each team's goal will be to identify a real-world problem and to propose a solution to that problem. The solution a team proposes should be technically feasible, and the team should prove this using statistics and facts.

TITLE SPONSOR

For amounts exceeding 35,000 , the sponsor will be declared as the “Title Sponsor” of Cerebro 2019. The event will then be addressed using their name. Eg: IIIT Vadodara and “Title Sponsor” presents Cerebro 2019.
